* AKO policy dictates that usernames must follow the format "firstname.lastname", with middle names and trailing numbers used when necessary to create unique IDs. AKO user IDs that do not conform to this requirement are subject to deactivation. The only exceptions are usernames that are longer than 20 characters. These usernames must follow the format "firstinitial.lastname".

1-32 Family Readiness Group
Announcements

Jan 22, 2006

Hello and welcome to 1-32 AKO based FRG group. We are currently in the testing phase of this new group so there might be some minor problems. Furthermore we are also looking into other ideas for a 1-32 controlled website. Do not request for access to the site, yet. We will post a message indicating the site is either terminated or active soon! Once you have access, you will be able to see pictures on the right of this message. If you have any questions or ideas feel free to post a message in the Discussion Forum. Thank You Spc Burgess Rear D S6
